

## ACCEPTABLE USE POLICY

### I. INTRODUCTION

This Acceptable Use Policy ("AUP") governs your use of the Internet services ("Service") provided by us (the "ISP"), whether you subscribe to the Service or not, and you agree to all the terms set forth herein.

Generally, ISP does not monitor or edit the content posted by users of the Service or other Internet services that may be available on or through the Service (e.g. newsgroups, chat rooms, message boards, etc.) However, ISP and its agents reserve the right at their sole discretion to remove any content that, in ISP's judgment, does not comply with the AUP or is otherwise harmful, objectionable, or inaccurate. ISP is not responsible for any failure or delay in removing such content.

In addition, ISP may cooperate with legal authorities and/or third parties in the investigation of any suspected or alleged crime or civil wrong. Your violation of this AUP may result in the suspension or termination of either your access to the service and/or your ISP account. You agree to indemnify, defend, and hold ISP harmless from any claims resulting from your use of this service, which damages you or another party. At our sole discretion, we may revoke your access for inappropriate usage. Use of an information obtained via the Service is at your own risk. ISP is not responsible for the accuracy, quality, or content of information obtained through the Service. This AUP should be read in conjunction with our Internet Service Agreement and other policies.
